CUPE Representative  
Centre for Drama, Theatre  
and Performance Studies

Dear Caitlin,

Thank you for presenting the letter from the graduate educators at the CDTPS. It was excellent to meet with you yesterday to discuss its details and the CUPE bargaining platform. As I mentioned in our conversation, the Director of the Centre is a member of the University Administration and, in this role, cannot formally endorse the statement of support you request.

As an individual faculty member at the University, I can and would like to express my sympathy with the goals you specify in your letter of pursuing a fair, safe, and just workplace at the University of Toronto. These values have always been important to me, as have our graduate students' well-being and professional success.

Wishing you all the best with your negotiations,
