Dear Graduate Student Education Workers in Linguistics,

I am writing in response to the request for support in the current CUPE bargaining process recently sent to all members of the department.

As Graduate Coordinator of the Linguistics Department, I am a member of the University Administration, and I am unable to endorse the statement of support as requested.

As an individual faculty member, however, I want to extend my support for your efforts to improve the working condition of graduate student educators at the University of Toronto.

I wish you all the best with the bargaining process.

Sincerely yours,
