

The Psychology chairs responded in partial support. This is their email:

Dear [CUPE STEWARD]:

Thank you for updating us regarding the ongoing negotiations between Unit 1 of CUPE 3902 and the University. Below, please find a statement of support from the four Psychology Chairs.

The Psychology Chairs (Graduate, UTSC, St. George, UTM) acknowledge and appreciate the contributions of our graduate student Teaching Assistants, Course Instructors, and Invigilators. We support the collective bargaining process as a means to achieve an agreement that works well for all parties.

Best regards,

Alison Chasteen (on behalf of Suzanne Erb (UTSC), Nick Rule (St. George), and Ashley Monks (UTM))
